

Creative Curriculum

This term our topic is the Battle of Britain! The term will begin with exploring key facts using 'WW2 Detective' packs. We will then go onto produce radiobroadcasts based on Churchill's famous speech as well as diary entries from the perspective of pilots! We will also have a focus on the important role women played throughout the war. As an art focus, we will be looking at Henry Moore and the significance of his work, we will then create our own artwork inspired by his style.

PE

On Tuesdays the children will continue to have our professional coaches teach them skills. Our other lesson will include rounders and athletics.

Computing

Our computing topics this term are 'how does the internet work?' and 'How does a network work?'

MFL

Children will continue to have weekly Spanish sessions.

Maths

Throughout the term, children will cover a range of areas, in line with the National Curriculum. This will include, number and place value, the four operations and measures. Maths in Beech is designed to incorporate practical based learning as well as reasoning, where children learn to 'think about thinking' and explain their own mathematical reasoning.

Beech Class Summer 2017

Music

You've got a friend is the name of our music unit this half term. After half term we will have a focus on the songs from our exciting Summer production!

RE

Our Christian topic this half term is 'People of God' with a key question of how can following God bring freedom and justice. Next half term we will be focusing on Islam and peace.

Science

Our science topics this term are Light and Living things. During the light unit, children will be learning about how light travels, including how we see things due to how light travels. Our living things topic will include describing how living things are classified into broad groups according to common observable characteristics - based on similarities and differences.

English

This half term our English work is based on the book 'Wonder Garden'. It is all about the greatest habitats in the world. Children will write an explanation text about rainforests as well as a newspaper article about the effects of marine pollution.

Health and Citizenship

This term we will be covering Railway Safety and drug education. Year 6 will cover SRE, with links to science at the end of the term. We will also have a school safety day in June which will include learning about internet and sun safety.
