

## Snow day menu

*Choose 1 or 2 activities to complete over the weekend.  
Most importantly, have lots of fun and stay safe!*

<p>Create a times table flower for 2 of the times tables that you need to practise. You could maybe try and make it look more like a snowflake than a flower.</p>	<p>Have a go at making some 3D shapes out of the snow. Can you make a cuboid? A cylinder? A cube? Take lots of pictures of the shapes you create.</p>	<p>Write a setting description of what it looks like outside your window. Could you include any fronted adverbials? Prepositions? Adjectives?</p>
<p>Complete some research into Roman houses and villas, ready for our lesson next week.</p>	<p>Write an acrostic poem from the word 'SNOW' or 'SNOWFLAKE'.</p>	<p>Go on a 3D shape hunt around your house and take some pictures of what you find. Can you find a... cylinder cube cuboid sphere</p>
<p>Can you figure out these jumbled up spellings from your last few spelling lists?</p> <ol style="list-style-type: none"><li>1. RRTUEEAC</li><li>2. NIOITNORMAF</li><li>3. SNITTAO</li><li>4. TNOIAREC</li><li>5. RNAUET</li></ol>	<p>Complete a big speed table in 10 minutes (like we do every Friday). Can you beat last weeks score? <i>Big speed table sheet will be linked on the website page</i></p>	<p>I'm thinking of a shape. It is a quadrilateral. It has 2 acute and 2 obtuse angles. Opposite sides are equal. It has 0 lines of symmetry. It has 2 pairs of parallel lines. What is the name of the shape? Can you draw it?</p>
