Dear Parents,

Book People – Book Fair 14th - 20th December

Parents and children are invited to our Book Fair which this year is being run by the 'Book People'. There will be lots of great books available from just £3! Books will be available to view and purchase from Thursday 14th – Wednesday 20th December at 3:30pm under the canopy outside the classroom doors.

Included in the Fair:

- Over 150 of the latest and greatest Children's books
- Prices from as low as £3
- A trusted range of great value books from Early Years to encyclopedias and activity books, best-loved fiction and featured authors. All perfect for every young bookworm-in-training.

There will also be a selection of books suitable for Adults and not forgetting those last minute Christmas presents too!

For those unable to attend the fair, please find attached a Book Fair Flyer with a small selection of books which can be ordered in advance. There is a complete catalogue of the books available to view in the office. Any books preordered will be delivered to the school on Thursday 21st December. Payment is by cash or cheques, payable to the school.

The School will receive a selection of books for hosting the fair and also earn points on books purchased. Thank you for supporting us and we hope you enjoy choosing your books.
