Tuesday 11th September 2018

Dear Parents,

Homework will be given out on a Friday and we would like it back in on the following Wednesday.

Homework club is on a Tuesday so that if you would like some support with the homework you and your child can attend together and staff will support you with completing it.

After suggestions from parents last academic year you will notice that the homework books are now lined. This is to support the children in writing neatly and consistently in size.

Please can we ask that as part of the weekly routine of homework, that you spend 5 or 10 minutes reciting numbers and times tables with your child at their appropriate level.

You will also notice that the children have new reading record books in KS2. Please use this as a source of communication between you and your child's class teacher about your child's reading progress.

If you have any questions or queries about homework, please do not hesitate to contact your child's class teacher.

Yours Sincerely,

C.L Hawkings

Mrs Cheryl Hawkings
